

1620 Electrical Workers – SCHOLARSHIP PROGRAM

Letter of Reference Form

(Letter of Reference Form Page 1 of 2)

Instructions to Applicants:

Please use the space below to outline the course of study. On the upper portion of page 2 of the *Letter of Reference form*, complete your name, phone # and field of research or study as indicated on your Scholarship Application Form. Then copy and send this 2-page form to each of your 3 references.

Note to Reference:

Please send your statement directly to 1620 Electrical Workers. Your comments will be treated as confidential and will not be shown to the applicant. 1620 Electrical Workers considers your recommendations invaluable. In addition to knowing the length of time and in what capacity you have known the applicant, 1620 is particularly interested in having your opinion concerning the applicant's ability to undertake the proposed course of study.
